STORRS 10, W. H. S. 5.

Well Played and Interesting Game on
Windham Field Monday Afternoon.

A loyal band of football enthusiasts witnessed what proved to be one of the best games of the season on Windham field Monday afternoon when Windham high school and Storrs agricultural college's second team of Storrs fought it out in a game that was extremely interesting. The visitors won, but that is all, and but for poor judgment on the part of the high school's quarterback would doubtless have been held to a tie score. The visitors were much heavier throughout and a number of years older. The final score was 10-5 in favor of the college boys.

Storrs kicked off to Windham and Harrington returned about 12 yards. Windham fumbled and Storrs obtained the ball and gained about 25 yards, and then 5 more, taking the ball to Windham's 5 yard line from where Ruten carried it over for a touchdown. Healey failed at try for goal.

Manley kicked off to Storrs, who was downed for no gain. Ruten made four yards. Healey was tackled by French for a loss and Storrs was forced to punt. Harrington, on the next play, reeled off a fine 18 yard end run. Keirans netted 6 more, Downer gained a half yard. Keirans punted and Storrs fumbled but recovered. Keirans running the tackle, Staebner tackled Healey for a loss and Healey punted to midfield where Downer received the ball and aided by beautiful interference, raced down the field through the entire college line and crossed the line for a touchdown. Healey failed at the try for goal. This bit of work by Downer made up for many of his errors in judgment and his run was really the best piece of work seen on the field this season, and the interference was recovered. The kick-off Harrington received the ball and returned it 20 yards. Keirans plowed through the line for 3 more. Harrington made a gain of 2 yards and Keirans punted to Healey, who was tackled by Keirans after being missed by a hair by Potter. Harper was tackled by Latham for a loss. End of first quarter.

Storrs punted to Downer, who, instead of signalling for a fair catch, waited too long and as the ball dropped into his arms, he was tackled by five or six college men all around him. Harper recovered the ball and raced toward the goal but a few yards away and on the next play was sent around the end for a touchdown. Healey failed at try for goal. Score C. A. C. 10, Windham 5.

Manley kicked the ball to Storrs, who fumbled and French fell on ball outside. Harrington gained a little, but Keirans was downed with no gain. Keirans punted, Storrs returning ball to her 15-yard line. French tackled Harper in his tracks. Ruten gained 6 yards around left end and added 15 more on next play, but was tackled by Downer. Latham tackled Harper. Ruten gained two yards. Potter tackled Harper, who attempted a fake end run for a loss and it was Windham's ball. Downer made a small gain. A forward pass failed. Time up with Windham in possession of ball well into Storrs territory.

Second half, Storrs kicked off to Harrington, who returned 15 yards and was added three more on next play. A forward pass, Keirans to Harrington, netted 18 yards. Downer was tackled for a loss. Keirans punted to Harper, who was tackled for a loss by Kelley. Ruten gained 4 yards. Windham held her beefy opponents for downs. Downer was tackled by Tracy for a loss and a forward pass was intercepted by Harper who made 20 yards. Storrs was held for downs and Harrington made a couple of yards. Storrs was penalized for offside. Harrington made six yards. Keirans punted to Morgan and on next play Harper was tackled by Kelley for a loss. Healey made five through yardage. Windham got ball on downs. Keirans made five yards. Keirans punted to Harper, who was downed in tracks by Potter. Time up, with Storrs in possession of the ball.

Fourth quarter. A forward pass failed and then an attempt from a drop kick from the 35-yard line failed. Windham recovering the ball, Keirans gained 10 yards. Harrington was nailed for a small loss. A forward pass, Keirans to Harrington, netted better than 15 yards. Harrington again tackled for a loss on next play. Storrs was penalized for holding; then again for offside. Keirans gained 9 yards. Storrs penalized for offside again. Another forward pass failed and Keirans gained four yards at the close of game with ball well into Storrs' territory with Windham in possession of the ball. dropped on the last march. The cause of the good sized audience and general enthusiasm was the presentation of Company L's big minstrels under direction of Prof. Sam Johnson. The setting for the opening was very good, and the close of the first part, a medley of war songs of '61, was well received. The costumes throughout called many a hearty round of applause and the various soloists came in for individual compliments from all over the house. The jesters were, as usual, fun and laugh provoking lads and pulled off a number of good ones.

The show was attended by a number of organizations in a body and the interest exhibited shows that Company L is not without staunch friends. The proceeds of the performance are to be used toward a fund to furnish the company's new quarters in the new state armory.

The full programme follows:
